

TEA Time

A three-tiered gold serving stand is the central focus, holding various pastries and a glass of tea. The top tier has small round pastries. The middle tier features a tart with citrus slices and a round cake in a woven basket. The bottom tier has several small pastries. A glass of light-colored tea sits on a grey coaster in the foreground. The background is a soft-focus indoor setting with a white table and some greenery.

• Première séquence
