THE SISLEY SPA®

“When time stands still, the art of ultimate relaxation is born”

Nestled in the heart of Fleur de Loire, the Sisley Spa is a true haven of well-being and elegance.

In a soft and enveloping atmosphere, five treatment rooms, a 15-metre indoor pool, an outdoor pool overlooking the Loire, a hammam (one or two new features), and a whirlpool bath invite you to step into a timeless interlude devoted to escape and relaxation.

The Sisley and Fleur de Loire rituals, rooted in tradition and guided by unique expertise, draw inspiration from the richness of the Loire Valley to offer refined sensorial experiences.

Among them, one of our signature massages — Les Rives Royales — takes you on a journey where the art of treatment meets the soul of the terroir.

Here, every moment is conceived as a promise: that of absolute well-being, in harmony with nature and the spirit of the place.
